

Leone Family Literature & Poetry List

Titles Recommended by Grade

This list is a compilation of recommendations from various sources, including:

Kolbe Academy (K)
Seton Home School (S)
1000 Great Books List (GB)
Mother of Divine Grace (MDG)
Mater Amabilis (MA)
Tanglewood Curriculum (TW)
Angelicum Academy (AA)
Madison Country Day School (MCD)

The list is not intended to be comprehensive (not every book need be read in the grade listed), but to provide a list of highly recommended books for the various grades. Likewise, there will be plenty of room for flexibility in terms of the recommended grade level.

Books should be used as appropriate for the children's maturity level.

Some books will be best used as parent read-alouds. Others can serve as assigned independent reading.

These books are purely literature choices. They do not include, for example, history or science reading sources. Those resources are listed in a separate document.
